You don't have to look further than the Superior Country region for world-class sport fishing! With an abundance of species Superior Country offers great experiences for all anglers. Floatplanes touch down on secluded lakes throughout the region, remote outposts provide a variety of comforts and amenities from basic to first class, and charters provide experiences of a life time with deep-water fishing. Tons of fish and trophy opportunities await you in Superior Country!

Walleye

The name walleye comes from the fact that the eyes point outward, as if looking at the walls. This fish is very adaptable and can be found in a variety of water conditions from cold and clear to warm and weedy. They are most active during the spring and fall and tend to retreat to deeper water during the warmer weather.

Northern Pike

The northern pike is an aggressive species, which makes them a favourite of anglers who enjoy a challenge. This fish is the one you want to catch, if a great fighting experience is what your after!

Brook Trout

Brook Trout are a cold-water sport fish highly sought in all of Northern Ontario. The world record brook trout came from the Nipigon River in the middle of Superior Country! Although referred to as a trout, they are members of the Char family.

Lake Trout

The largest member of the char family lives in the deep cold waters of Superior Country. These deepwater giants can be found in Lake Superior and Lake Nipigon while the smaller of the species can be found throughout the shallower waters in the region.

Salmon

Pink and Coho salmon were introduced to the Great Lakes some time ago. In late summer and early fall, they congregate at the mouths of the tributaries before migrating upstream to spawn. Salmon fishing should be on every angler's bucket list!

Moose

The king of the forest, the moose is the largest member of the deer family and can weigh up to 600kg. The male (bull) can sport an impressive set of antlers. They are found in all parts of the Superior Country region and like to hang out around lakes, streams and swamps where food is abundant.

Superior HUNTING

Superior Country is considered a prime moose and black bear hunting destination. Majestic moose, crowned with massive antlers browse the wilderness rivers, lake shores, and logging clearings across the region. Whitetail Deer and Small Game offer something for every hunter in Superior Country. We encourage all visitors to utilize the services of our licensed operators to obtain proper licensing and ensure a great

experience through

accommodations and hospitality.

The white-tailed deer is the most widely recognized of all the deer species, the flash of white, as their tail goes up is a common sight and makes them easily recognizable. Superior Country has a healthy population of white-tail, they are very versatile and are equally at home in the boreal forest or on the open grassland.

With many outfitters boasting successes of 80% or larger the black bear hunting experience in Superior Country is like no other. Spring and fall bear hunts are done over baited stands. Non-residents must hunt through a licensed outfitter.

There is no shortage of small game and wild birds in Superior Country. Lodges and outfitters across the region offer excellent shooting for many varieties of ducks, Canada geese, partridge and grouse.

Thousands of kilometers of roads and trails

through our forests provide ample access.

The Thunder Bay Region of Superior Country is made up of it's largest urban community, Thunder Bay as well as Atikokan, Nolalu, Neebing, Shuniah and Armstrong. The region offers beautiful landscapes, a flourishing culinary scene, exceptional fishing and hunting, rich in arts and culture, outdoor activities and adventure.

Thunder Bay

Kakabeka Falls

Kakabeka Falls is known as the "Niagara of the North" and is the second largest waterfall in Ontario. It is a 130ft drop off along the Kaministiquia River and the gorge below reveals 1.6 million-year-old rocks and fossils. This spectacular marvel is part of historical Voyageur Route and is surrounded by beautiful hiking trails, a beach, campground, and hospitable community.

Terry Fox Monument

This is a must see attraction within the Thunder Bay Region of Superior Country. This monument pays tribute to the inspirational Terry Fox and the tragic halt in his Marathon of Hope on August 31 1980. This magnificent location offers panoramic views of Lake Superior and the Sleeping Giant and beautifully commemorates this Canadian hero.

Wabakimi Provincial Park

Wabakimi Provincial Park is in the heart of Northern Ontario, north of Armstrong. The park includes world-class wilderness canoeing over 1,242.75 miles (2,000 km) of lakes and river routes, some with ideal Whitewater conditions. The remote wilderness gives visitors excellent opportunities for wildlife viewing and sports fishing.

Sleeping Giant

The Sleeping Giant is one of Canada's seven wonders and calls Superior Country's Thunder Bay it's home. The view of the rock formation from the city of Thunder Bay appears that the rocks are a giant, taking a long over due slumber. The tremendous formation is part of the Sleeping Giant Provincial Park where you can hike up this magnificent natural wonder.

Sea Lion

On the shore of Lake Superior, at Perry Bay, on route to the Sleeping Giant Provincial Park you'll find a stone Sea Lion. The 15 metres of sedimentary rock that juts out of the mainland has been shaped by the waves of the Lake Superior to offer the region an attraction like no other.

Ontario's Amethyst

Superior Country has an abundance of purple-hue quartz Amethyst. This gemstone is the official mineral of Ontario. Ontario's jewel can become your own as you dig, uncover, and clean your very own piece at one of the Amethyst mines in Superior Country's Thunder Bay Region.

RESIDENTS RETURNING TO THE UNITED STATES

If you're a U.S. resident visiting Canada for less than 48 hours, you can bring back \$200 worth of goods duty-free. For stays longer than 48 hours, the duty-free limit rises to \$800, but this \$800 limit can only be used once every 30 days. If you return for another shopping trip in less than 30 days and have already purchased \$800 worth of goods, your limit drops to \$200. People who live in the same house can combine their duty-free limits, but they must travel together. Refer to https://help.cbp.gov/app/answers/detail/a_id/246/~/duty--free-exemption

IMPORTANT NOTICE FOR U.S. RESIDENTS

If you or anyone in your party has a felony or misdemeanor conviction, you may not be allowed into Canada. This includes such offences as DUI. Your admissibility to Canada depends on the nature of the offense, how many offenses you have, as well as how long ago it occurred. If this applies to you or someone traveling with you it is imperative you contact immigration Canada well in advance of your arrival.

CROSSING THE CANADA/U.S. BORDER

All citizens age 16 and older, entering Canada by air (including in transit passengers who are transferring planes in the U.S.), land or water must present one of the following documents, a passport or passport card (Sentri, Nexus or Fast Card). Travelers age 15 and under require a birth certificate for land or sea travel and a passport for air travel. For current requirements go to cic.gc.ca If you are traveling with your own children under the age of 16 and your spouse, bring their birth certificates. If you are traveling with a child other than your own or without your spouse, have the child's birth certificate along with a letter of permission, including name and contact information for the child's parent/guardians or your spouse.

FISHING REGULATIONS

Licenses: All non-residents of Canada who want to fish in Ontario require a current non-resident sports fishing license and a non-resident Outdoors Card. Non-residents under the age of 18 may fish without a license if accompanied by a licensed family member. Any fish caught are part of the limit of the person with the license. Canadian residents require a resident fishing license and a current resident Outdoors Card.

Bait: You cannot bring live minnows, smelts, leeches or any other bait fish into Ontario from the United States. Night crawlers are allowed but they must be brought in containers with artificial bedding only.

Limits and Regulations: With countless lakes and streams, it is important that anglers are aware of the general regulations and of any exceptions to the general regulations (e.g. specific slots or catch and possession limits) that may apply to the lake you will be fishing. Ontario's Fishing Regulations can be downloaded at www.ontario.ca/travel-and-recreation/fishing

HUNTING REGULATIONS

Non-residents must have one of the following to obtain a hunting license:

- An Ontario non-resident hunting license issued to you after January 1, 1968.
- A hunting license issued to you after January 1, 1968 by a competent authority in a jurisdiction where you were a resident of that jurisdiction.
- An Ontario hunting license verification certificate showing your license to hunt in Ontario or that you passed the hunting license examination.
